# PARENT RESPONSIBILITIES

## 1. Registration and Travel Information

Make sure all necessary forms/information has been submitted, along with payment to ensure Pre-Teen Camp registration has been completed correctly.

Ensure you have the correct contact information and details for flights including Passports, VISA's and Check-in ID (where required).

## 2. Medication, Handling and Use

Please ensure that your Pre-Teen has all required medication, in their original packaging along with instructions for use in case of emergency.

Check all medical information on your registration form to ensure validity.

## 3. Spiritually Prepare for Pre-Teen Camp

Talk through various challenges the camper may face, such as conflicts with others, how to resolve them, living and sharing with other people, the possibility of injury, etc.

Discuss character (Selfishness, Gratitude, Humility, and Perseverance) with them using scripture in order to have them come into the event with a soft heart, and ears to hear.

## 4. Respect for Others, and the Rules

Respect, politeness and following the rules at Pre-Teen Camp are crucial when trying to achieve the most effective Camp possible.

All campers need to know what we expect (but also what parents should expect) in terms of their behaviour and obeying those in authority. We will go over all the Disciplinary Procedures with them at Camp upon arrival.

## 5. Properly Packed

Make sure your Pre-Teen is properly packed with comfortable clothing and the items on the provided list. Please try not to 'over-pack' as the Pre-Teens will be responsible for carrying their belongings.

## 6. Encourage Regional Unity

Our region is diverse and growing quickly. We would like parents to encourage the Pre-Teen camper to get the most out of camp by making new friends, trying different activities, and being open to sharing their hearts. *"Leave with no regrets"*

## 7. Electronic Black Out

Please discuss and reinforce our standards regarding all electronic (specifically mobile phones). Your Pre-Teen will not have access to this equipment during the camp.

Note: Phones will always be available via leadership if needed for special circumstance.
